

# Communication to Succeed

**ONLY ONE THING STANDS BETWEEN YOU AND SUCCESS.  
IT ISN'T EXPERIENCE; IT ISN'T TALENT.**

If you want to succeed, you must learn how to connect with people. And while it may seem like some people are just born with it, the fact is anyone can learn how to turn every communication into an opportunity to have a powerful connection.

If you learn to better connect with others whether it is one-on-one, in groups or with an audience, your interactions will improve, your ability to create teamwork will increase, and your influence will skyrocket. People who connect with others have better relationships, experience less conflict, and get more things done than those who cannot connect.
