

# TEAM FOUNDATIONS TO MAXIMIZE PERFORMANCE

## INNOVATIVE & UNIQUE SOLUTIONS

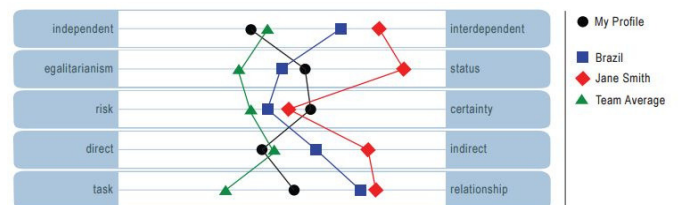

Our solutions are based on the understanding that effective global, multicultural, and virtual teamwork takes extra work – it requires a different mindset and a creation and cultivation of a unique corporate culture to maximize team performance.

Newly formed or on the run teams, this program focuses on developing awareness, building trust, clarifying roles and responsibilities, and creating the best practices for norms and agreements.

The Global Team Effectiveness Model an online tool that measures a team's current level of effectiveness, while also providing valuable feedback for improving performance on the seven critical elements of a team to achieve their goals.

The Cultural Awareness Profile is an effective, statistically validated and powerful tool to optimize effectiveness through awareness of individual preferred work styles and how they compare with other cultures and colleagues.

- Establish the unique work style of each member in your team and link this team profile to priorities and goals for the team
- Create an strategy to ensure the alignment of roles, responsibilities and goals.
- Gain insight into a team's level of effectiveness and establish areas for improvement
- Receive actionable advice and strategies to improve team performance

**OUR UNIQUE SOLUTIONS COMBINE IN THIS PROGRAM WILL TAKE YOUR TEAMS AND YOUR ORGANIZATION TO A HIGH LEVEL OF PERFORMANCE.**
